Copyright and Moral Rights

Studio 541 respects the rights of artists and copyright owners. All works (images and text) on Studio 541's website are protected by copyright and have been reproduced with the artists or copyright owner's permission.

No image or text on this website may be reproduced, published or communicated (other than for the purposes of research or study, criticism or review or reporting the news) without the permission of the copyright owner. If permission is not obtained, the copyright rights of the owner may be infringed. All requests for use should be directed to Studio 541 Ltd.

If you make use of a work on this site for purposes permitted by the Copyright Act 1994 full attribution should be given and the work should be used in full without alteration.
